Registration

Please take note of the following before you register:

For participating in the International Fair for practice enterprises you have to pay a fee.

Please note that when registering, you first of all have to enter the **institution/school** which will be our contracting party. After this you can register the practice enterprise participating in the fair.

After the registration of your practice enterprise, you can make orders for **booths and additional equipment**. There are no extra costs for tables and chairs, electricity and WIFI.

Registration

Attention! Before you start with the registration, please read the following suggestions, in order to guarantee smooth registration and booking.

Our suggestions: how to register

- 1. Resolve in your school/institution which training firms will participate in the fair
- 2. Register your school/institution
- 3. For registering you need **one single e-mail address** for your school/institution, because **all correspondence** related to the registration of your training firms will be carried out via **this e-mail address**.
- 4. When registering choose one single password for your school/institution.
- 5. With the e-mail address and the password the training firms participating in the fair can register and make changes if necessary.
- 6. Print out and supervision of the total orders is carried out by the school/institution
- 7. Send registration your registration is binding

 \rightarrow Go to registration of non-Austrian school/institution

New Trade Fair Account for non-Austrian school

- Please register your school/institution When registering please enter an e-mail address and a password valid for and known to all the training firms in your school
- 2. All training firms of your school/institution will be registered via this new trade fair account.
